Professional summary

Olga Brunner, MHA, Care Manager, Certified; Approved Training Provider for Dept of Elder Affairs, President and Founder of A Good Daughter Elder Care Management. Olga is a trained nursing home administrator and a former Long Term Care Activities Director trained to provide mental stimulation for cognitively impaired seniors. Having collaborated with a geriatric psychiatry group in Boca Raton since 2006, she conducts mental health assessments and prepares comprehensive care plans for seniors in the community she serves. A skilled coach, Olga shares an enthusiasm for people and their professional transformations and enjoys mentoring others interested in service to our seniors. She is one of a few GCM's to have been admitted to the Round Table Group's Expert Witness Network. The Round Table Group organization, based in Washington, D.C., is one of the world's preeminent consortia of consulting experts.
